Dear Baron Schröder,

I am pleased to tell you that I managed to buy Lot 105 in Christie's Sale to-day - the nest of six German Beakers, for £240.0.0, and will await your instructions as to what you would like me to do with them.

The two single Beakers each fetched £80.0.0 so that, under the circumstances, yours are much cheaper in proportion, as a Set of six is much more scarce than odd ones.

I enclose my account herewith.

Kind regards,

Yours sincerely,

David A. Crichton
